In time for the 75th anniversary of the Man of Steel, comes the first comprehensive literary biography of Joe Shuster and Jerry Siegel, creators of the DC Comics superhero Superman and the inspiration for Michael Chabon's Kavalier and Clay Drawing on ten years of research in the trenches of Cleveland libraries, boarded-up high schools, and secret, private collections, and a love of comic books, Brad Ricca's Super Boys is the first ever full biography about Superman's creators. Among scores of new discoveries, the book reveals the first stories and pictures ever published by the two, where the first Superman story really came from, the real inspiration for Lois Lane, the template for Superman's costume, and much, much more. Super Boys also tracks the boys' unknown, often mysterious lives after they left Superman, including Siegel's secret work during World War II and never-before-seen work from Shuster. Super Boys explains, finally, what exactly happened with the infamous check for \$130 that pulled Superman away from his creators—and gave control of the character to the publisher. Ricca also uncovers the true nature of Jerry's father's death, a crime that has always remained a mystery. Super Boys is the story of a long friendship between boys who grew to be men and the standard that would be impossible for both of them to live up to.

Secret Identity Crisis Penguin

" ARE YOU READY TO BE TOTALLY FREAKED OUT? " As the most unpopular kid in high school, Summer Jones isn't ready for much of anything, except for teasing from classmates. Then Jasper, her eccentric Dad, makes a shocking disclosure: He's a professor at Zoom's Academy, a school that develops super-powers in select students. Before Summer can say "lost his marbles," Jasper gives her a strange ring, which glows the instant Summer slips it on her finger. Okay, now she's ready to be totally freaked out! So begins Summer's amazing adventures, as she blasts off to an astonishing campus in the clouds. It is a place where rockets run on lime gelatin, shiny brass robots zip around, and caped (soon-to-be-crusading) kids fly the skies and fine tune their special gifts – from lightning speed and elastic limbs to telepathy and colossal strength. Can it be true that Summer, a geeky girl with a paralyzing fear of heights, is a budding crime-fighting super hero? Yet while the faculty of Zoom's Academy tries to discover what sort of super-powers Summer actually possesses, the dark headmaster of Zoom's archrival, Grave's School for the Villainous Arts, plots a hostile take-over, in which one unsuspecting girl will play a vital role in its sinister execution.
