This gorgeous collection gathers Alice Walker's wide-ranging meditations—many of them previously unpublished—on our intertwined personal, spiritual, and political destinies. For the millions of her devoted fans, and for readers of Walker's bestselling 2006 book, *We Are the Ones We Have Been Waiting For*, here is a brand new "gift of words" that invites readers on a journey of political awakening and spiritual insight. The *Cushion in the Road* finds the Pulitzer Prize-winning novelist, poet, essayist, and activist at the height of her literary powers, sharing fresh vantages and a deepening engagement with our world. Walker writes that "we are beyond a rigid category of color, sex, or spirituality if we are truly alive," and the pieces in *The Cushion in the Road* illustrate this idea beautifully. Visiting themes she has addressed throughout her career—including racism, Africa, Palestinian solidarity, and Cuba—as well as addressing emergent issues, such as the presidency of Barack Obama on health care, Walker explores her conflicting impulses to retreat into inner contemplation and to remain deeply engaged with the world. Rich with humor and wisdom, and informed by Walker's unique eye for the details of human and natural experience, *The Cushion in the Road* will please longtime Walker fans as well as those who are new to her work.

A lyrical and meditative tour de force that traces the evolution of man and science, including the rise of scientific inquiry In *The Firmament of Time*—nominated for a National Book Award—Loren Eiseley offers a series of brilliant, provocative excursions through the history of science. A paleontologist with the soul and skill of a poet, he reflects on the many ways in which the quest for knowledge has been shaped by the changing cultures in which it emerged and developed. Examining the role of metaphor in scientific thought, anticipations of scientific discoveries in the works of poets and novelists, and the "unconscious conformity" of scientific theory to prevailing orthodoxies, he argues for the ongoing relevance of dreams, the imagination, and the irrational to scientific progress.

[The Road to Inner Light](#) Orbis Books

The Inner Light (atmajyoti) is an autobiographical account of the remarkable life of Swami

Chetanananda Saraswati. It is the poignant story of a young boy who drifts towards the path of spirituality and relentlessly pursues it through his youth, even while leading a householder's life or as a busy academician being a top agricultural scientist. It is all about his spiritual journey; spiritual awareness, awakening, and supreme consciousness. The book begins with a chapter on Param Guru Swami Nigamananda Paramahansa Dev, whose seminal book *Yogi Guru* motivated Swami Chetanananda Saraswati. It reveals some mystical spiritual experiences of the author during yoga sadhana before he met Sri Vishuddhananda Saraswati (Guru Baba, a disciple of Swami Nigamananda Paramahansa Dev); his initiation by Guru Baba, sanyas after retirement, and subsequent work as a monk contributing to society as a karma yogi (one who follows the path of selfless action) to be known as Swami Chitanananda. The book has an interesting collection of selected writings, which include Swami Chetanananda Saraswati's discourse – Who and What is God, delivered at IIT Kharagpur.

[Finding Your Light Within](#) Hay House, Inc

*The Gift of Success and Happiness* offers a set of simple systems—based on the world's most reliable business principles—that empowers readers to meet and overcome challenges posed by money, work, relationships, and other factors, most of which impede our success and impinge on our happiness. Based on two decades of lessons, Chip Sawicki has learned as a senior executive, parent, and community leader, this book's structured approach will help readers maximize the opportunity for success and happiness in all aspects of life. Just as good companies have efficient processes and best practices, so do successful people. They just don't necessarily realize it—until now. Sawicki defines the process that leads to personal satisfaction and identifies the three main stresses in life: time, financial, and social. Once these are understood, Sawicki provides advice, anecdotes, and easy-to-use worksheets that will force good decisions based on quantifiable data. By understanding how the matrix of life works, readers will be meeting their goals faster than their peers, and will begin to understand what success and happiness truly are.

Sisters are more than just family: they are confidantes, mentors, and friends. They light up the lives of the people around them with their joy and love, and they can always be counted on to be there when they're needed, no matter what. With this adorable book, you can let your sister know how much she means to you. Featuring Marci's endearing Children of the Inner Light(R) characters, this is a gift of love that sisters everywhere will treasure forever.

[Phasers on Stun!](#) Wipf and Stock Publishers

Gnosticism developed alongside Judeo-Christianity over two thousand years ago, but with an important difference: It emphasizes, not faith, but direct perception of God—Gnosticism being derived from the Greek word *gnosis*, meaning "knowledge." Given the controversial premise that one can know God directly, the history of Gnosticism is an unfolding drama of passion, political intrigue, martyrdom, and mystery. Dr. Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire, Blake, Yeats, Hesse, Melville, and Jung.

[The Beatles Encyclopedia: Everything Fab Four](#) Sounds True

*The Training and Work of an Initiate* shows how, from ancient Qabalistic, Greek, and Egyptian roots, the Western Esoteric Systems have an unbroken initiation tradition that has been handed down from adept to neophyte. In this book, Dion Fortune indicates the broad outlines and underlying principles of these systems, illuminating an obscure and greatly misunderstood aspect of the path. Thanks to her teaching, even if you cannot give your entire life over to the pursuit of esoteric science, you can still develop a philosophy of life and learn your individual relationship to the cosmic whole. You will discover how initiates prepare body, mind, and spirit for the challenging journey that is the esoteric path, what the path of initiation looks like, and what it is to be called to this work. The book is filled with accessible information, presented in a way so that "even that which the smallest cup can carry away is the true water of life". This revised edition contains a new foreword by Gareth Knight, and an index.

[Growing Your Inner Light](#) Penguin

Over seventy-two years ago, beginning at the Vernal Equinox in Glastonbury, Fortune started receiving communications from the Inner Planes concerning the creation of the universe, the evolution of humanity, natural law, the evolution of consciousness, and the nature of mind. This is her record, in a revised edition, and includes previously unpublished material that is

still relevant today!

[The Soul Searcher's Handbook](#) Simon and Schuster

This is a major research study that stands as a history and interpretation of Western Civilization in Europe and the Americas with an emphasis on Reform Christianity and its interpretation of the meaning and purpose of the creative impulse in art, music, architecture, literature.

[The Training & Work of an Initiate](#) Simon and Schuster

"This is a marvelous and sustained discussion of 'faithful vision' and its significant influence on African American literature." -- American Literature In *Faithful Vision*, James W. Coleman places under his critical lens a wide array of African American novels written during the last half of the twentieth century. In doing so, he demonstrates that religious vision not only informs black literature but also serves as a foundation for black culture generally. The Judeo-Christian tradition, according to Coleman, is the primary component of the African American spiritual perspective, though its syncretism with voodoo/hoodoo -- a religion transported from West Africa through the West Indies and New Orleans to the rest of black America -- also figures largely. Reviewing novels written mainly since 1950 by writers including James Baldwin, Randall Kenan, Toni Morrison, John Edgar Wideman, Alice Walker, Gloria Naylor, Erna Brodber, and Ishmael Reed, among others, Coleman explores how black authors have addressed the relevance of faith, especially as it relates to an oppressive Christian tradition. He shows that their novels -- no matter how critical of the sacred or supernatural, or how skeptical the characters' viewpoints -- ultimately never reject the vision of faith. With its focus on religious experience and tradition and its wider discussion of history, philosophy, gender, and postmodernism, *Faithful Vision* brings a bold critical dimension to African American literary studies. "An insightful interrogation of the complexities of religious discourse in the African American literary tradition. Because it superbly translates complex spiritual ethos into literary tradition, this remarkable book is a must for anyone interested in intersections of the sacred and the secular in black cultural productions." -- Southern Literary Journal "Faithful Vision both looks intently into faith and shows us how to look." -- Christianity and Literature

[The Gift of Success and Happiness](#) Blue Mountain Arts

In this important book of Quaker spirituality, Jim Newby writes about his spiritual journey and the ways he has sought to navigate an increasingly complex world and understand his purpose in it. A lifelong Quaker, Newby seeks to discern the primary ways in which he has grown spiritually, which are divided into the following parts: turning inward, community and relationship, pain and growth, path of a seeker, and affirmations. Each chapter within these parts concludes with queries to encourage readers to reflect upon their own spiritual journeys. Readers may find what Newby writes humorous, or his writing may provoke tears, questions, and challenges to one's beliefs. Humor and tears, questions and spiritual challenges, are all of God, for to grow in Spirit encompasses all the feelings and emotions through which we pass in this life. In the words of Newby's late friend and author, Malcolm Muggeridge, "Every happening great and small is a parable whereby God speaks to

---

us, and the art of life is to get the message.” These reflections are Newby's attempt to get the message.

### **The Way of the Mystics** Dhanada K Mishra

Condensed lesson on how to live a productive and rewarding life that will inspire a greater happiness and understanding.

### **The Inner Light** Weiser Books

A comprehensive guide for creating a daily spiritual practice, *Growing Your Inner Light* gives specific advice on developing a unique spiritual path that fits exactly who you are, and what you hope to grow into as a spiritual being. Author Lara Owen clearly shows how a personalized practice can open the doors to living fully with integrity and to feeling connected with the surrounding world. For readers yearning for a sense of inner peace, and a direct experience of spiritual meaning and connection, *Growing Your Inner Light* is a groundbreaking, transformative journey through thirteen phases of your growth, including: developing intuition; creating sacred spaces and altars; understanding your dreams; exploring the importance of retreats, meditation, and rituals. *Growing Your Inner Light* gives readers the freedom to integrate from different traditions -- and develop new ones -- in order to create their own spiritual tradition. One former student of Lara's program shared that she feels "less like a spiritual tourist and more like a pilgrim." Spiritual development is a natural part of being human, and a vital way to expand the intensity of your inner light throughout your life.

### **To My Sister** ABC-CLIO

The hidden meanings of the Beatles' most esoteric lyrics and sounds are revealed by a rare insider who spent two decades with the man who made "meditation," "mantra," and "yoga" household words: Maharishi Mahesh Yogi. The spiritual journey of the Beatles is the story of an entire generation of visionaries in the sixties who transformed the world. The Beatles turned Western culture upside down and brought Indian philosophy to the West more effectively than any guru. *The Inner Light* illumines hidden meanings of the Beatles' India-influenced lyrics and sounds, decoded by Susan Shumsky—a rare insider who spent two decades in the ashrams and six years on the personal staff of the Beatles' mentor, Maharishi Mahesh Yogi. This eye-opening book draws back the curtain on the Beatles' experiments with psychedelics, meditation, chanting, and Indian music. Among many shocking revelations never before revealed, we discover who invented "raga rock" (not the Beatles), the real identity of rare Indian instruments and musicians on their tracks, which Beatle was the best meditator (not George), why the Beatles left India in a huff, John and George's attempts to return, Maharishi's accurate prediction, and who Sexy Sadie, Jojo, Bungalow Bill, Dear Prudence, Blackbird, My Sweet Lord, Hare Krishna, and the Fool on the Hill really were. Half a century later, the Beatles have sold more records than any other recording artist. A new generation wants to relive the magic of the flower-power era and is now discovering the message of this iconic band and its four superstars. For people of all nations and ages, the Beatles' mystique lives on. *The Inner Light* is Susan Shumsky's gift to their legacy.

### *The Esoteric Philosophy of Love and Marriage* Simon and Schuster

Written with inside access, comprehensive research, and a down-to-earth perspective, *Phasers on Stun!* chronicles the entire history of Star Trek, revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change. For over five decades, the heart of Star Trek's pro-science, anti-racist, and inclusive messaging has been its willingness to take big risks. Across thirteen feature films, and twelve TV series—including five shows currently airing or in production—the brilliance of Star Trek is in its endless ability to be rethought, rebooted, and remade. Author and Star Trek expert Ryan Britt charts an approachable and entertaining course through Star Trek history; from its groundbreaking origins amid the tumultuous 1960s, to its influence on diversifying the space program, to its contemporary history-making turns with LGBTQ+ representation, this book illuminates not just the behind-the-scenes stories that shaped the franchise but the larger meaning of the Final Frontier. Featuring over 100 exclusive interviews with actors and writers across all the generations, including Walter Koenig, LeVar Burton, Dorothy Fontana, Brent Spiner, Ronald D. Moore, Jeri Ryan, and many more, Britt gets the inside story on all things Trek, like Spock's evolution from red devil to the personification of logical empathy, the near failure to launch of *The Next Generation* in 1987, and how Trekkie outrage has threatened to destroy the franchise more than once. The book also dives deep with creators like Michael Chabon (co-creator of *Star Trek: Picard*) and Nicholas Meyer (director, *The Wrath of Khan*). These interviews extend to the bleeding edge of contemporary Star Trek, from *Discovery* to *Picard* to *Lower Decks*, and even the upcoming highly anticipated 2022 series, *Strange New Worlds*. For fans who know every detail of each Enterprise bridge, to a reader who has never seen a single minute of any Star Trek, this book aims to entertain, inform, and energize. Through humor, insight, archival research, and unique access, this journey through the Star Trek universe isn't just about its past but a definitive look at its future.
