Born in Canada to a Swiss mother, Andie Pilot's earliest memories of Switzerland are from her Bernese grandmother's kitchen. After she trained as a pastry chef in Canada and moved to Bern, she started the website Helvetic Kitchen with a simple goal: to share her love of simple Swiss cooking with her friends in Switzerland and around the globe. This adorable little book features Andie's favorite recipes—some just like her grandmother made and some modern takes on Swiss classics—as well as Andie's illumination of many of Swiss cuisine's curiosities.

Roster, Legislatures of Hawaii, 1841-1918 Univ. Press of Mississippi
A gorgeous professional-level guide to the most challenging form of the confectioner's art. A showpiece created entirely from sugar is truly a work of art, and it takes an eye for design and strong pastry skills to work with this delicate medium. *The Art of the Confectioner* is the ultimate guide to working with sugar to create beautiful sugar and pastillage shapes, flowers, figurines, and breathtaking full-scale showpieces. Author and award-winning pastry chef Ewald Notter shares wisdom gained from more than 35 years in the pastry kitchen, and combines straightforward advice and step-by-step instructions with lessons on developing artistry and design skills. The book begins with a basic overview of sugar, including information on the equipment and ingredients needed to work with sugar and Isomalt. Subsequent chapters cover Pastillage, Sugar Casting, Sugar Pulling, Sugar Blowing, and New Trends in Sugarwork, and include detailed instructions on how to make everything from delicate flowers to

whimsical blown sugar figurines. And the final chapter shows how readers can bring together all the skills learned throughout the book to create award-winning sugar and pastillage showpieces. From working with shapes and color and choosing a focus point to developing a sculpture based on a particular theme, Notter provides insights into all the tricks of the trade and expert advice on preparing for competitions. Throughout the book, techniques are explained with simple, step-by-step instructions and illustrated with clear how-to photos, while stunning showpiece beauty shots provide inspiration. The book includes hundreds of color photos as well as beautiful hand-painted watercolor illustrations by the author, and an Appendix of templates is provided to help readers replicate the showpieces shown throughout the book. For pastry students, aspiring confectioners, and professional pastry chefs looking to improve their skills for restaurant work or competition, *The Art of the Confectioner* is a must-have guide from one of the field's most well-known experts.

The Art of the Confectioner Penguin

The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index enables readers to find out how particular notions would be expressed in la Louisiane .

On the Road Schwabe AG

A New York Times Bestseller Winner of the James Beard Award for General Cooking and the IACP Cookbook of the Year Award "The one book you must have, no matter what you 're planning to cook or where your skill level falls."—New York Times Book Review Ever wondered how to pan-fry a steak with a charred crust and an interior that's perfectly medium-rare from edge to edge when you cut into it? How to make homemade mac 'n' cheese that is as satisfyingly gooey and velvety-smooth as the blue box stuff, but far tastier? How to roast a succulent, moist turkey (forget about brining!)—and use a foolproof method that works every time? As Serious Eats's culinary nerd-in-residence, J. Kenji López-Alt has pondered all these questions and more. In *The Food Lab*, Kenji focuses on the science behind beloved American dishes, delving into the interactions between heat, energy, and molecules that create great food. Kenji shows that often, conventional methods don 't work that well, and home cooks can achieve far better results using new—but simple—techniques. In hundreds of easy-to-make recipes with over 1,000 full-color images, you will find out how to make foolproof Hollandaise sauce in just two minutes, how to transform one simple tomato sauce into a half dozen dishes, how to make the crispiest, creamiest potato casserole ever conceived, and much more. Catalog Editions Assouline

The classic novel of freedom and the search for authenticity that defined a generation *On the Road* chronicles Jack Kerouac's years traveling the North American continent with his friend Neal Cassady, "a sideburned hero of the snowy West." As "Sal Paradise" and "Dean Moriarty," the two roam the country in a quest for self-knowledge and experience. Kerouac's love of America, his compassion for humanity, and his sense of language as jazz combine to make *On the Road* an inspirational work of lasting importance.

Kerouac's classic novel of freedom and longing defined what it meant to be "Beat" and has inspired every generation since its initial publication more than fifty years ago. This Penguin Classics edition contains an introduction by Ann Charters. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Love is Served John Wiley & Sons

The main goal of *Advanced Baking and Pastry* is to present the right balance of topics and depth of coverage, encompassing items produced in the bakeshop, including breads, Viennoiserie, creams, pies, tarts, cakes, and decorative work in a professional manner that is easily approachable for the advanced baking and pastry student and professional. This is accomplished by providing theoretical information along with tested recipes and detailed step-by-step procedures. This approach to learning builds the student's confidence and skills, as well as an increased understanding of the material. In addition, a supplemental recipe database will provide students with a foundation of recipes and techniques that they can then apply throughout their career. Professionals will also benefit from the wide variety of recipes and the techniques presented.

Seedlip is the world's first distilled non-alcoholic spirit, solving the ever-growing dilemma of 'what to drink when you're not drinking'. It is based on the distilled non-alcoholic remedies from *The Art of Distillation* written in 1651, and now repurposed to pioneer a new category of drinks. Seedlip is a grown-up non-alcoholic alternative to spirited drinks that balances crisp, delicious flavors and healthy, natural ingredients. This recipe book offers an exclusive collection of Seedlip's finesse cocktails as well as insight into their ethos, technique, and ingredients. Highly illustrated, with recipes from the world's best bartenders and newly commissioned images from leading drinks photographer, Rob Lawson, here are the secrets of the Seedlip way.

Popular husband-and-wife bloggers and podcasters (acouplecooks.com) offer 100 recipes with an emphasis on whole foods and getting into the kitchen together. The couple's non-diet approach features simple lifestyle changes to make healthy cooking sustainable, rather than a short-term fix. A love story at its finest, Alex and Sonja Overhiser first fell for each other--and then the kitchen. In a matter of months, the writer-photographer duo went from eating fast and frozen food to regularly cooking vegetarian meals from scratch. Together, the two unraveled a "pretty simple" approach to home cooking that kicks the diet in favor of long-term lifestyle changes. While cooking isn't always easy or quick, it can be pretty simple by finding love in the process. *A Couple Cooks | Pretty Simple Cooking* is an irresistible combination of spirited writing, nourishing recipes with a Mediterranean flair, and vibrant photography. Dubbed a "vegetarian cookbook for non-vegetarians", it's a beautiful book that's food for thought, at the same time providing real food recipes for eating around the table. The book features: 100 vegetarian recipes, with 75 vegan and 90 gluten-free options A full-color photograph for every recipe Recipes arranged from quickest to more time-consuming 10 life lessons for a sustainably healthy approach to cooking, artfully illustrated with a custom watercolor

Named a Summer Must Read by Wall Street Journal, Elle, Harper's Bazaar, Entertainment Weekly, Glamour, Esquire, Bustle, Town & Country, Good Housekeeping, Refinery29, and more "[Hoby] might have just written the defining New York City novel of our fraught, socially anxious, and politically tumultuous times." —Interview "Intense and addictive." —New York Times A powerful novel of youth, desire, and moral conflict, in which a young man is seduced by the mirage of glamour—at terrible cost. Arriving in New York City for an internship at an elite but fading magazine, Luca feels invisible: smart but not worldly, privileged but broke, and uncertain how to navigate a new era of social change. Among his peers is Zara, a young Black woman whose sharp wit and frank views on injustice create tension in the office, especially in the wake of a shock election that's irrevocably destabilized American life. In the months that follow, as the streets of New York fill with pink-hatted protesters and the magazine faces a changing of the guard, Luca is taken under the wing of an attractive and wealthy white couple—Paula, a prominent artist, and Jason, her filmmaker husband—whose lifestyle he finds both alien and alluring. With the coming of summer, Luca is swept up in the fever dream of their marriage, accepting an invitation to join the couple and their children at their beach house, and nurturing an infatuation both

frustrating and dangerous. Only after he learns of a spectacular tragedy in the city he has left behind does he begin to realize the moral consequences of his allegiances. In language at once lyrical and incisive, *Virtue* offers a clear-eyed, unsettling story of the allure of privilege and the costs of complacency, from a writer of astonishing acuity and vision.

Vintage Cocktails Pebble

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

Dictionary of French and English, English and French Penguin The definitive guide to the contemporary craft cocktail movement, from one of the highest-profile, most critically lauded, and influential bars in the world. *Death & Co* is the most important, influential, and oft-imitated bar to emerge from the contemporary craft cocktail movement. Since its opening in 2006, *Death & Co* has been a must-visit destination for serious drinkers and cocktail enthusiasts, and the winner of every major industry award—including America's Best Cocktail Bar and Best Cocktail Menu at the Tales of the Cocktail convention. Boasting a supremely talented and creative bar staff—the best in the industry—*Death & Co* is also the birthplace of some of the modern era's most iconic drinks, such as the Oaxaca Old-Fashioned, Naked and Famous, and the Conference. Destined to become a definitive reference on craft cocktails, *Death & Co* features more than 500 of the bar's most innovative and sought-after cocktails. But more than just a collection of recipes, *Death &*

Co is also a complete cocktail education, with information on the theory and philosophy of drink making, a complete guide to buying and using spirits, and step-by-step instructions for mastering key bartending techniques. Filled with beautiful, evocative photography; illustrative charts and infographics; and colorful essays about the characters who fill the bar each night; *Death & Co*—like its namesake bar—is bold, elegant, and setting the pace for mixologists around the world.

Seedlip Cocktails Ten Speed Press

Winner of the 2015 James Beard Award for Best Beverage Book and the 2015 IACP Jane Grigson Award. A revolutionary approach to making better-looking, better-tasting drinks. In Dave Arnold's world, the shape of an ice cube, the sugars and acids in an apple, and the bubbles in a bottle of champagne are all ingredients to be measured, tested, and tweaked. With *Liquid Intelligence*, the creative force at work in Booker & Dax, New York City's high-tech bar, brings readers behind the counter and into the lab. There, Arnold and his collaborators investigate temperature, carbonation, sugar concentration, and acidity in search of ways to enhance classic cocktails and invent new ones that revolutionize your expectations about what a drink can look and taste like. Years of rigorous experimentation and study—botched attempts and inspired solutions—have yielded the recipes and techniques found in these pages. Featuring more than 120 recipes and nearly 450 color photographs, *Liquid Intelligence* begins with the simple—how ice forms and how to make crystal-clear cubes in your own freezer—and then progresses into advanced techniques like clarifying cloudy lime juice with enzymes, nitro-muddling fresh basil to prevent browning, and infusing vodka with coffee, orange, or peppercorns. Practical tips for preparing drinks by the pitcher, making homemade sodas, and building a specialized bar in your own home are exactly what drink enthusiasts need to know. For devotees seeking the cutting edge, chapters on liquid nitrogen, chitosan/gellan washing, and the applications of a centrifuge expand the boundaries of traditional cocktail craft. Arnold's book is the beginning of a new method of making drinks, a problem-solving approach grounded in attentive observation and creative techniques. Readers will learn how to extract the sweet flavor of peppers without the spice, why bottling certain drinks beforehand beats shaking them at the bar, and why quinine powder and succinic acid lead to the perfect gin and tonic. *Liquid Intelligence* is about satisfying your curiosity and refining

your technique, from red-hot pokers to the elegance of an old-fashioned. Whether you're in search of astounding drinks or a one-of-a-kind journey into the next generation of cocktail making, *Liquid Intelligence* is the ultimate standard—one that no bartender or drink enthusiast should be without.
