Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a "compulsive page-turner" (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With "powerful tension that holds the reader to the story like a pin to a magnet" (The Houston Post), *The Dead Zone* is a "faultlessly paced...continuously engrossing" (Los Angeles Times) novel of second sight.

The *Mass Ornament* today remains a refreshing tribute to popular culture, and its impressively interdisciplinary writings continue to shed light not only on Kracauer's later work but also on the ideas of the Frankfurt School, the genealogy of film theory and cultural studies, Weimar cultural politics, and, not least, the exigencies of intellectual exile.

German Culture through Film: An Introduction to German Cinema is an English-language text that serves equally well in courses on modern German film, in courses on general film studies, in courses that incorporate film as a way to study culture, and as an engaging resource for scholars, students, and devotees of cinema and film history. In its second edition, *German Culture through Film* expands on the first edition, providing additional chapters with context for understanding the era in which the featured films were produced. Thirty-three notable German films are arranged in seven chronological chapters, spanning key moments in German film history, from the silent era to the present. Each chapter begins with an introduction that focuses on the history and culture surrounding films of the relevant period. Sections within chapters are each devoted to one particular film, providing film credits, a summary of the story, background information, an evaluation, questions and activities to encourage diverse interpretations, a list of related films, and bibliographical information on the films discussed.

#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul." —Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Many early novels were cosmopolitan books, read from London to Leipzig and beyond, available in nearly simultaneous translations into French, English, German, and other European languages. In *Novel Translations*, Bethany Wiggin charts just one of the paths by which newness—in its avatars as fashion, novelties, and the novel—entered the European world in the decades around 1700. As readers across Europe snapped up novels, they domesticated the genre. Across borders, the novel lent readers everywhere a suggestion of sophistication, a familiarity with circumstances beyond their local ken. Into the eighteenth century, the modern German novel was not German at all; rather, it was French, as suggested by Germans' usage of the French word *Roman* to describe a wide variety of genres: pastoral romances, war and travel chronicles, heroic narratives, and courtly fictions. Carried in large part on the coattails of the Huguenot diaspora, these romans, nouvelles, amours secrets, histoires galantes, and histoires scandaleuses shaped German literary culture to a previously unrecognized extent. Wiggin contends that this French chapter in the German novel's history began to draw to a close only in the 1720s, more than sixty years after the word first migrated into German. Only gradually did the *Roman* go native; it remained laden with the baggage from its "French" origins even into the nineteenth century.

Over half a century after the defeat of the Third Reich the complexities of Nazi ideology are still being unravelled. This text is a serious attempt to identify these ideological origins. It demonstrates the way in which Nazism was influenced by powerful occult and millenarian sects that thrived in Germany and Austria at the turn of the century. Their ideas and symbols filtered through to nationalist-racist groups associated with the infant Nazi party and their fantasies were played out with terrifying consequences in the Third Reich: Auschwitz, Sobibor and Treblinka are the hellish museums of the Nazi apocalypse. This bizarre and fascinating story contains lessons we cannot afford to ignore.

A long, friendly conversation between the American artist Alec Soth and the Italian curator and critic Francesco Zanot. Analyzing his most famous photographs as well as others that have never been published or are virtually unknown, Soth reflects upon his career as a photographer. Each picture gives rise to a chapter of its own, an original thought or reflection. Soth's images are shuffled together here to form new sequences: tracing the threads of memories, addressing cultural issues and references, and thus creating unforeseen and unforeseeable connections. Storytelling, use of colour and black and white, staged and candid approaches and personal issues are just some of the topics discussed in the book, resulting in a combination of images and words that constitutes a deep analysis of Soth's work as well as a manual on the reading of photography itself.

When the Second World War air raids threaten their safety in the city, Carrie and her brother Nick are evacuated to a small Welsh village. But the countryside has dangers and adventures of its own - and a group of characters who will change Carrie's life for ever. There's mean Mr Evans, who won't let the children eat meat; but there's also kind Auntie Lou. There's brilliant young Albert Sandwich, another evacuee, and Mr Johnny, who speaks a language all of his own. Then there's Hepzibah Green, the witch at Druid's Grove who makes perfect mince pies, and the ancient skull with its terrifying curse... For adults and young people aged eight and over. Emma Reeves has created a stunning stage adaptation of Nina Bawden's much loved classic account of life as an evacuee in the 1940s, which opened at the Lillian Bayliss Theatre in November 2006. This edition includes teachers' notes and activities for classes based on the play.

High schooler Nanako Momoi may be petite and adorable but she is far from sweet. She is obnoxious, violent and has the table manners of a wild boar. Akira Uehara, a dainty, feminine boy has, for some mysterious reason, developed quite a crush on her. One day, Akira stumbles upon Nanako's grandfather, a man best described as a mad scientist. He is performing an experiment on Nanako, but Akira manages to get in the way, and suddenly finds that he and Nanako have switched bodies!. Akira, the now dainty and feminine female, is desperate to get back into his old body, especially after one of his long time friends starts flirting with him. Switching back may prove difficult, though. It looks like Nanako is starting to enjoy life as a guy!.

Praise for the first edition of this book: This translation is something of an event. For the first time, it makes Zur Mühlen's text available to English-speaking readers in a reliable version. —David Midgley, University of Cambridge [This book] represents exceptional value, both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery. —Ritchie Robertson, Journal of European Studies, 42(1): 106-07. Born into a distinguished aristocratic family of the old Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father. Never comfortable with the traditional

roles women were expected to play, she broke as a young adult both with her family and, after five years on his estate in the old Czarist Russia, with her German Junker husband, and set out as an independent, free-thinking individual, earning a precarious living as a writer. Zur Mühlen translated over 70 books from English, French and Russian into German, notably the novels of Upton Sinclair, which she turned into best-sellers in Germany; produced a series of detective novels under a pseudonym; wrote seven engaging and thought-provoking novels of her own, six of which were translated into English; contributed countless insightful short stories and articles to newspapers and magazines; and, having become a committed socialist, achieved international renown in the 1920s with her Fairy Tales for Workers' Children, which were widely translated including into Chinese and Japanese. Because of her fervent and outspoken opposition to National Socialism, she and her life-long Jewish partner, Stefan Klein, had to flee first Germany, where they had settled, and then, in 1938, her native Austria. They found refuge in England, where Zur Mühlen died, forgotten and virtually penniless, in 1951.
