complete requirements of the 2017 NSW NESA Stage 6 Physics syllabus in intent, content and sequence. The student book is written in accessible language and provides clear explanation of concepts throughout. Scenario-style questions at the end of each module and review quizzes at the end of each chapter allow students to review, analyse and evaluate content, to develop a clear understanding across the curriculum areas.

[Australia in the Global Economy](#) Heinemann  
The Biology Options series has been written in response to the demand for books that cover the HSC Biology syllabus options individually. The three most popular options -- Communication, The Human Story and Genetics: The Code Broken? -- have been addressed in an in-depth but accessible format, providing students and teachers with a clear, concise coverage of the requirements of all three strands of the syllabus. These

titles are ideal to use in conjunction with the new Biology in Focus series.
