Just exercise just what we find the money for under as competently as evaluation The Spck Bible Atlas The Events People And Places what you as soon as to read!

The Church Review Princeton University Press  
In his new book, New York Times bestselling author Jay Sekulow presents a political and historical rationale for the existence of Israel as a sovereign nation. The State of Israel and its very right to exist is a lynchpin issue not only in the Middle-East, but is a critical issue to the world at large. Whether it is the blatant and stated desire of ISIS, Hamas, Hezbollah, or Iran to wipe Israel from the face of the earth, or the more subtle but equally insidious aim to delegitimize Israel's existence through efforts at UNESCO, the goal is the same-to get rid of Israel. Here is the book that defends, Israel's right to exist as a sovereign nation. As Chief Counsel for the American Center for Law and Justice, Jay Sekulow has fought with Israel hand-in-hand in some of Israel's most strategic, international battles. Now, he has pulled together the definitive and comprehensive look at Israel-one of the world's most controversial nations- and its importance to us as Americans and as a key focal

point to the future of the world. He looks at the legal case for its prominence, as well as the historical and political rationale for its existence as a sovereign nation and homeland for Jews today, and encourages readers to stand with him against the hatred, lies, and efforts to delegitimize one of the world's oldest nations.

People read the Bible for a number of reasons: to enhance their spiritual growth and religious practice, to improve their understanding of the history of the Bible lands, and for the sheer enjoyment of the dramatic stories conveyed by inspirational and poetic language. A Bible atlas serves to locate the events described in a geographic framework, making it an essential supplement to biblical studies. Biblica: The Bible Atlas goes beyond traditional Bible atlases to place the biblical narrative and peoples into their historical, cultural, social and geographic contexts. It provides readers with a better understanding of biblical events and journeys, of the complex history and cultures of the bible lands, and of the modern political landscape of the region. The latest archaeological findings and theological

research are presented alongside engaging discussion of the Bible stories, ensuring that readers take away from *Biblica* new insights and a deeper appreciation of the Bible. Breathtaking in its size and scope, *Biblica* is a visually stunning guide to the Bible and the Bible lands. It includes over 650 full-colour paintings, drawings, etching, sculptures, and scenic photographs, plus 125 original and up-to-date maps of the Bible lands, which bring to life the people, places, and events of the Bible. It is a fitting tribute to the splendour and majesty of the Bible, and it will be a treasured addition to family and libraries the world over.

The student or pastor with a small but growing library, as well as the pastor possessing an extensive one, will welcome the opportunity to secure this reprint of Spurgeon's catalog of Biblical commentaries and expositions. Once you begin to dip into this volume it will become a faithful friend by your side. Worth its weight in gold! "New commentaries on the Bible abound, but often the cutting edge is dull. With few exceptions, the old works are better by far. Spurgeon's *Commenting and Commentaries* is invaluable for identifying the best works of past generations, many of which have been reprinted in our day." - Dr. Robert P. Martin Bible Atlas SPCK

William Barclay testifies to the Bible's unique value as an inspired book and

---

gives clear advice on the best way to read it. He tells how the biblical writings came into being and finally gained acceptance as Scripture. And he explains the significance and the status of the Apocrypha. Most important of all, William Barclay presents the Bible as a book to be read and enjoyed today - a light in the darkness of a world that has lost its way. Barclay's original text has been edited and revised by Professor John W. Rogerson, who has also written a new introduction. Rogerson is the head of the Department of Biblical Studies at the University of Sheffield and an authority on the Old Testament. Manchester Diocesan Board of Education. Report of the Sunday School Committee Rose Publishing

Perfume is part of the biblical text from Genesis through to Revelation, just as perfume pervades our modern life. Identifying the ingredients used in biblical times is difficult when information and meaning is lost in ancient languages. As expected, biblical perfumes were made from natural products but the range employed is surprisingly different from those of modern perfumes. The biblical ingredients are either defensive substances or products of decay, opening up an avenue of speculation as to why this is so. Charles Sell started his research into this area whilst working at Givaudan, the world ' s leading manufacturer of perfumes and flavours. The introductory chapter of this book gives a brief outline of the history of the Bible lands, paving the way to understanding the difficulties in identifying exactly which plant sources the original authors meant. Other chapters discuss how plants make chemicals and how the sense of smell functions. The book explores the preparation, storage and uses of perfume, both sacred and secular, and compares and contrasts biblical perfumes with their modern equivalents. It recounts some interesting biblical events involving perfume ranging from courtship through seduction to prostitution and murder. The use of beautiful images from the windows of Canterbury Cathedral, where the author is a guide, illustrate some of the people and events in the biblical accounts and enable visualization of the historical uses of perfumes. The book is aimed at a broad audience and requires no prior specialised knowledge. The subject matter will be of interest to everyone, including chemists and general scientists, historians, those interested in perfumery, those interested in religious studies, and anyone interested in exploring chemistry in the world of art and the creative professions.

### A Guide Book to Books

Learn about the Holy Land from the man who trains Israeli tour guides! This best-selling Bible atlas was authored by Dr. Paul H. Wright, president of Jerusalem University College (Institute of Holy Land Studies). Over the years Dr. Wright has led thousands of university students and adults on field studies throughout Israel, the Palestinian territories, Jordan, Egypt and the Sinai, many to out-of-the-way places not normally seen by students of the Bible. Rose Then and Now Bible Map Atlas is the only

Bible atlas with a combination of 120 stunning detailed Bible maps. Overlays of modern cities and countries so you know where Bible places are today. Incredible insights into the lives of 30 important Bible characters. This Bible atlas focuses on people not regions and how the Middle East geography affected their lives and decisions. Paul Wright gives you amazing insights into Bible geography and culture. Know how Davids clever understanding of geography and politics led to his marriage with Ahinoam of Jezreel. Discover why Naomi, in the Book of Ruth, couldnt just move back to Bethlehem after her husbands death and use his land again. Find out why Moses and the Children of Israel took the long southern trek from Egypt to the Promised Land, rather than the direct route. More than just an atlas, this work gives you incredible insights into your favorite Bible stories. About the author, Dr. Paul H. Wright of Jerusalem University College: Dr. Paul H. Wright is President of Jerusalem University College (the Institute of Holy Land Studies) located on historic Mt. Zion adjacent to the old walled city of Jerusalem. He also teaches courses on the culture, history and geography of the lands of the Bible. Over the years Dr. Wright has led thousands of Christian college and university students, as well as adults, on field studies throughout Israel, the Palestinian territories, Jordan, Egypt and the Sinai, many to out-of-the-way places not normally seen by students of the Bible. He is also an instructor in an advanced educational program for licensed Israeli tour guides at the Yad Ben-Zvi Institute in Jerusalem, and at Tantur, a Christian research center between Jerusalem and Bethlehem. Dr. Wright holds the BA degree in anthropology from Bethel College (now Bethel University), an MA degree in the history of ancient Israel from the Institute of Holy Land Studies, an MA degree in Old Testament from Trinity Evangelical Divinity School, and the M Phil and PhD degrees in Bible and Ancient Near East from Hebrew Union College. He is also an ordained minister and has, over the years, been an effective teacher in both adult and childrens church ministries. He and his wife Diane have lived in Jerusalem for fifteen years, and raised their two children there. They are active members of East Jerusalem Baptist Church, a small congregation that represents an active mix of dedicated people from all over the world who live and minister in Jerusalem and the surrounding area.

“ The ” Holy Bible, According to the Authorized Version (A.D. 1611): Ezekiel, Daniel, Minor prophets This is a general-interest introduction to the Old Testament from many disciplines. There are 23 essays with 23 individual reference lists.
