This book is designed as an advanced undergraduate or a first-year graduate course for students from various disciplines like applied mathematics, physics, engineering. It has evolved while teaching courses on partial differential equations during the last decade at the Politecnico of Milan. The main purpose of these courses was twofold: on the one hand, to train the students to appreciate the interplay between theory and modelling in problems arising in the applied sciences and on the other hand to give them a solid background for numerical methods, such as finite differences and finite elements.

Mario Conde investigates a murder in the Barrio Chino, the rundown Chinatown of Havana. Not his usual beat, but when Conde was asked to take the case by his colleague, the sultry, perfectly proportioned Lieutenant Patricia Chion, a frequent object of his nightly fantasies, he could n't resist. The case proves to be unusual. Pedro Cuang, a lonely old man, is found hanging naked from a beam in the ceiling of his dingy room. One of his fingers has been amputated and a drawing of two arrows was engraved with a knife on his chest. Was this a ritual Santería killing or a just a sordid settling of accounts in a world of drug trafficking that began to infiltrate Cuban society in the 1980s? Soon Conde discovers unexpected connections, secret businesses and a history of misfortune, uprooting and loneliness that affected many immigrant families from China. As ever with Padura, the story is soaked in atmosphere: the drinking of rum in deliciously smoke-filled bars, the friendships, the food and beautiful women.

Rondón tells the engaging story of salsa's roots in Puerto Rico, Cuba, Colombia, the Dominican Republic, and Venezuela, and of its emergence and development in the 1960s as a distinct musical movement in New York. Rondón presents salsa as a truly pan-Caribbean phenomenon, emerging in the migrations and interactions, the celebrations and conflicts that marked the region. Although salsa is rooted in urban culture, Rondón explains, it is also a commercial product produced and shaped by professional musicians, record producers, and the music industry. --from publisher description.

Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

Is Catholicism more than giving up beer or chocolate for Lent? Even if it's good beer or great chocolate the answer is a resounding "yes!" In fact, we're called to have such faith that when others meet us they actually see Christ. But how do we do that in a world where Notre Dame means "football" and not Our Lady? By following the lead of so many before us... We have living examples of holy men and women who overcame the same types of temptations we face and shortcomings we all have, to become "huge, blinking neon signs that pointed to Jesus." And if they can do it so can we...with a little practice. Author, lecturer, and Catholic covert Matthew Leonard combines the stories of the saints' triumphs and struggles along with his own personal anecdotes and wry humor to show us all a fresh take on the art of being truly Catholic in a contemporary world.

Paul "Chuck Norris" Yurkin has never been one to give up. A product of the inner city projects, he pulled himself up by the bootstraps and enlisted in the Marine Corps-serving proudly in Desert Storm before beginning a fifteen-year career with the Myrtle Beach police force. But when he saw the efforts of his policing failing to create any positive change, it wasn't long before Yurkin became jaded by the system as a whole. Seeking a new life for himself and his daughters, he met up with a private contracting firm and began training for a trip to sunny Afghanistan, where he would work on training the fledgling Afghan National Police. In the midst of two weeks of training in Virginia, he earned the nickname that would stick with him for years to come-and met three best friends that remained by his side through dangerous missions, misadventures, and the frustrations of being stationed abroad. In Memoirs of a Security Contractor, Yurkin tells the true story of his time as a security contractor in Afghanistan in candid detail-in an eye-opening tale of determination, friendship, and never giving up.

In this new cooking poem, Jorge Argueta brings us a fun and easy recipe for a yummy salsa. A young boy and his sister gather the ingredients and grind them up in a molcajete, just like their ancestors used to do, singing and dancing all the while. The children imagine that their ingredients are different parts of an orchestra — the tomatoes are bongos and kettledrums, the onion, a maraca, the cloves of garlic, trumpets and the cilantro, the conductor. They chop and then grind these ingredients in the molcajete, along with red chili peppers for the “ hotness ” that is so delicious, finally adding a squeeze of lime and a sprinkle of salt. When they are finished, their mother warms tortillas and their father lays out plates, as the whole family, including the cat and dog, dance salsa in mouth-watering anticipation. Winner of the International Latino Book Award for Guacamole, Jorge Argueta has once again written a recipe-poem that families will delight in. Each book in the cooking poem series features a talented illustrator from the Latino world. In Salsa the text is complemented by the rich, earthy illustrations of multiple award-winning illustrator Duncan Tonatiuh. His interest in honoring the art of the past in contemporary contexts is evident in these wonderful illustrations, which evoke the pre-Columbian Mixtec codex. The Corso: The Real Nuyorican Salsa Story is a must-read book not just because it ' s a fantastic and incredible story of success but also it ' s a historic legacy of how it was at the beginning of the salsa movement. It is narrated firsthand by someone who was there and was an important part of it, if not the most important. Pete Bonet was born in a very humble, extremely poor part of the island of Puerto Rico. Even the police would not go in there. It was too dangerous. It is a place called El Fanguito, “ the Muddy. ” His mother, Olga, was abandoned there with her six children, ages fifteen down to a newborn baby. Pedrito, as he was called, was the fourth child; he was six years old when his father left for good. Olga was left alone with no money, no food, no man to protect the family, no government help, no nothing, not even shoes for the kids to go to school. The neighbors would say, “ Poor Olga, she ' s going to die along with all the six kids. ” Pedrito left that part of the world at the age of fifteen to go to New York City, not knowing how to say no in English. At the age of twenty-one, Pedro graduated from Central Commercial High School with honors in bookkeeping and business law, typing sixty words a minute without errors. He then took the test in order to enter the United States Air Force and qualified in administration and thus entered the United States Air Force. Upon returning home with an honorable discharge, Pedro went to work for different construction companies as a timekeeper onsite—Marshall Const. Co., Arc Electric Co., Turner Const. Co., Melnick Const. Co., among others. He would go dancing on weekends to different nightclubs in New York City, from the world-famous Palladium Ballroom called the home of the mambo and cha-cha-cha, located on Broadway and Fifty-Third Street, the Manhattan Center on Thirty-Fourth Street, the Hunts Point Palace in the Bronx, and this was where Pete met the love of his life, Margie. They fell in love at first sight while dancing to the wonderful music of Tito Rodriguez and his big band orchestra. They got married six months later and still together today, in the year 2019, fifty-seven years and still counting. Pete Bonet, as he got to be known, got into music by mere chance. He started singing with Alfredo Valdez and his charanga, then Ray Barretto and his charanga, La Moderna. Then he went with Mongo Santamaria and his orchestra under the musical direction of trumpet player Marty Sheller. He formed his own big band together with the great Louie Ramirez as his arranger and musical director. After a couple of years, he got a call from Tito Rodriguez and went on to sing with the one and only Tito Rodriguez and his big band. Upon Tito Rodriguez ' s death, he joined the Joe Cuba Sextet. He also sang with the king of Latin music, Tito Puente and his big band, and over forty other Latin orchestras in New York, Hollywood, and Puerto Rico. By reading this book, you will get to appreciate that great era, an extraordinary moment in time, the very beginning when the term “ salsa ” was born and started to be used instead of all the different names of all that great Cuban music. You will feel all the excitement of non-Latins dancing in clubs like the Corso that most likely will never be repeated again.
