Expressionism and Film, originally published in German in 1926, is not only a classic of film history, but also an important work from the early phase of modern media history. Written with analytical brilliance and historical vision by a well-known contemporary of the expressionist movement, it captures Expressionism at the time of its impending conclusion—as an intersection of world view, resoluteness

of form, and medial transition. Though one of the most frequently-cited works of Weimar culture, Kurtz's groundbreaking work, which is on a par with Siegfried Kracauer's *From Caligari to Hitler* and Lotte Eisner's *The Haunted Screen*, has never been published in English. Its relevance and historical contexts are analyzed in a concise afterword by the Swiss scholars Christian Kiening and Ulrich Johannes Beil.

Evil comes in frightening and familiar forms in this terrifying novel from #1 New York Times bestselling author Dean Koontz. Once there was a girl who ran away and joined a traveling carnival. She married a man she grew to hate—and gave birth to a child she could never love. A child so monstrous that she killed it with her own hands... Twenty-five years later, Ellen Harper has a new life, a new husband, and

two normal children—Joey loves monster movies and Amy is about to graduate from high school. But their mother drowns her secret guilt in alcohol and prayer. The time has come for Amy and Joey to pay for her sins, because the carnival is coming back to town...

'Somebody!' I half-sob and then, more quietly, 'Please.' The words seem absorbed by the afternoon heat, lost amongst the trees. In their aftermath, the silence descends again. I know then that I ' m not going anywhere... Sean is on the run. We don't know why and we don't know from whom, but we do know he's abandoned his battered, blood-stained car in the middle of an isolated part of rural France at the height of a sweltering summer. Desperate to avoid the police, he takes to the parched fields and country lanes but his leg is caught in a vicious animal trap. Near unconscious from pain and loss of blood, he is freed and taken in by two women - daughters of the owner of a rundown local farm with its ramshackle barn, blighted vineyard and the brooding lake. And it's then that Sean's problems really start... This nail-shredder of a thriller - like the fiction of Nicci French or Gillian Flynn - holds you from the beginning, tightening its grip as the story unfurls and shocks you with its final twist.

The #1 New York Times – bestselling author ' s visually stunning story about a magical band of living toys who learn to overcome their fears. Toymaker Isaac Bodkins created the Oddkins, a group of living toys, for very special children who face difficulties in life and need true friends. There ' s Amos, the brave stuffed bear; Skippy, the rabbit who dreams of being a superstar; Butterscotch, the gentle, floppy-eared pup; Burl the elephant; the wise and scholarly Gibbons; and Patch the cat. The Oddkins are given to children to inspire, support, and love them, especially during times of adversity. Only now, the toys themselves are the ones who need help. Before he dies, Mr. Bodkins delivers a dire warning to Amos the bear: Watch out for an evil toymaker and his dangerous creations! Locked up in the dark sub-basement, another group of toys is climbing out of boxes and crates and coming to life as well. These bad toys—like Rex and Lizzie, the puppets with no strings; Gear, the vicious robot; and Stinger, the horrid buzzing bumblebee with his knife-sharp stinger—were made to hurt children, not help them. Leering, laughing, and deadly, they are let loose into the world by a terrifying force. Frightening as it may be, the Oddkins must go on a journey to find Colleen Shannon, Mr. Bodkins ' s chosen successor as a life-giving toymaker and the only person who can save them. The stormy night is perilous and the Oddkins face a danger that threatens not only their magic . . . but the magic in us all.

THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING JANE HAWK SERIES Meet Jane Hawk—a remarkable new heroine certain to become an icon of suspense. “ This gripping thriller grabs readers from the first few pages and sweeps them along to the rousing finale. ” —Booklist “ I very much need to be dead. ” These are the chilling words left behind by a man who had everything to live for—but took his own life. In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. People of talent and accomplishment, people admired and happy and sound of mind, have been committing suicide in surprising numbers. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. But all their power and viciousness may not be enough to stop a woman as clever as they are cold-blooded, as relentless as they are ruthless—and who is driven by a righteous rage they can never comprehend. Because it is born of love. Don ’ t miss any of Dean Koontz ’ s gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE • THE FORBIDDEN DOOR • THE NIGHT WINDOW Praise for The Silent Corner “ Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created [a] wonderful character in Jane Hawk. . . . Koontz rocks it again. ” —Associated Press “ In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The Silent Corner brims with both

action and emotion. ” —Pittsburgh Post-Gazette “ The Silent Corner is vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . As relevant to current events as it is audacious . . . amongst Dean Koontz ’ s finest contemporary work. ” —Mystery Scene “ A proven specialist in action scenes, Koontz pulls off some doozies here. . . . The book is full of neat touches. . . . And the prose, as always in a Koontz novel, is first-rate. Perhaps Koontz ’ s leanest, meanest thriller, this initial entry in a new series introduces a smart, appealing heroine who can outthink as well as outshoot the baddest of bad dudes. ” —Kirkus Reviews (starred review)

Over two thousand years ago, Sun Tzu wrote The Art of War. In today 's struggle to stop war, terrorism, and other global problems, West Point graduate Paul K. Chappell offers new and practical solutions in his pioneering book, The Art of Waging Peace. By sharing his own personal struggles with childhood trauma, racism, and berserker rage, Chappell explores the anatomy of war and peace, giving strategies, tactics, and leadership principles to resolve inner and outer conflict. Chappell explains from a military perspective how Gandhi and Martin Luther King Jr. were strategic geniuses, more brilliant and innovative than any general in military history, courageous

warriors who advanced a more effective method than waging war for providing national and global security. This pragmatic and richly instructive book shows how we can become active citizens with the skills and strength to defeat injustice and end all war.

For one man, facing his own murder is not as terrifying as surviving it in this blistering novel of suspense from #1 New York Times bestselling author Dean Koontz. A brutal killer known as “ The Butcher ” is stalking women in New York City. When the police enlist the help of clairvoyant Graham Harris, the horrifying images of the Butcher 's crimes replay in Harris 's mind—sometimes even at the moment they are happening. Then he sees the most terrifying vision of

all—that of his own murder. Harris and his girlfriend soon find themselves trapped on the fortieth floor of a deserted office building. The guards have been killed, the elevators shut down, and the stairways blocked. The only way out is to climb down the sheer face of the building. Otherwise they'll become the Butcher ' s next victims.

To Draw Closer to God Penguin

The year is 1597. For nearly a decade, the island of Britain has been under the rule of King Philip in the name of Spain. The citizenry live under an enforced curfew—and in fear of the Inquisition ' s agents, who put heretics to the torch in public displays. And with Queen Elizabeth imprisoned in the Tower of London, the British have no symbol to unite them against the enemy who occupies their land. William Shakespeare has no interest in politics. His passion is writing for the theatre, where his words bring laughter and tears to a populace afraid to speak out against the tyranny of the Spanish crown. But now Shakespeare is given an opportunity to pen his greatest work—a drama that will incite the people of Britain to rise against their persecutors—and change the course of history.

- Jane Hawk—fiction's most relentless, resourceful, stunning new heroine—continues her battle against a murderous conspiracy in the riveting sequel to *The Silent Corner*. "No time to delay. Do what you were born to do. Fame will be yours when you do this." These are the words that ring in the mind of mild-mannered, beloved schoolteacher Cora Gundersun—just before she takes her own life, and many others', in a shocking act of carnage. When the disturbing contents of her secret journal are discovered, it seems certain that she must have been insane. But Jane Hawk knows better. In the wake of her husband's inexplicable suicide—and the equally mysterious deaths of scores of other exemplary individuals—Jane picks up the trail of a secret cabal of powerful players who think themselves above the law and beyond punishment. But the

ruthless people bent on hijacking America's future for their own monstrous ends never banked on a highly trained FBI agent willing to go rogue—and become the nation's most wanted fugitive—in order to derail their insidious plans to gain absolute power with a terrifying technological breakthrough. Driven by love for her lost husband and by fear for the five-year-old son she has sent into hiding, Jane Hawk has become an unstoppable predator.
