The Killing Tide by Jean-Luc

Bannalec is the fifth novel in the internationally bestselling Commissaire Dupin series. Deep sea fishers, dolphin researchers, smugglers, and an island shrouded in myth in the middle of the rough Atlantic ocean: Commissaire Dupin had sworn he would never again investigate on the ocean, but his fifth case takes him offshore, off the west coast of Brittany on a beautifully sunny day in June. He lands on the unique Île de Sein, populated by more rabbits than people, where the hairdresser arrives by boat and which was formerly inhabited by powerful witches and even the devil himself. In front of this impressive backdrop—between the islands of Molène, Ouessant, and the bay of Douarnenez—Dupin and his team follow a puzzling case that pushes them to their very limits.

The Holy Fire: The Teachings of Rabbi Kalonymus Kalman Shapira, the Rebbe of the Warsaw Ghetto is a journey into the mind and spirit of a sublime hasidic master in his moments of joy and tranquillity, and later, in his time of personal and communal catastrophe. The reader takes a voyage into the rich and variegated world of twentieth-century Hasidism in Poland, a world destroyed by the Holocaust. This is a volume inspired by a deeply sensitive and poetic individual of faith who is grappling with an unfolding disaster. While the Holocaust has engendered a voluminous body of religious and philosophical writings attempting to probe the issues this unfathomable period raises in all their enormity, virtually all were written after the war, when a modicum of distance and reflection is possible. Contemporaneous diaries and chronicles written as the events were happening concentrate on the descriptive accounts of the horrors. The Holy Fire, however, engages a sustained theological reflection and stands alone as an extended religious response from within the heart of darkness itself while the catastrophe takes place, and is, for this reason, an extraordinary document and an astonishing personal achievement.

In his preface, the author reminds the reader that this is not a book for the absolute beginner. Even the experienced player may not get it on first reading a given tune, but You can expect to enjoy the process of learning... [and experience] the joy of recreating a traditional tune, of making it your own. This is the teacher/ student pact in effect throughout this marvelous book, written for the literary as much as the musical connoisseur. Although no classical violin experience is needed, you will need to know how to hold the fiddle and bow, and be able to play at least simple tunes in the first position. Having the ability to read music will enable you to follow the bowing patterns and left-hand techniques which the author feels are crucial in grasping the playing style.

Dozen a Day Book 4 Piano Kahn & Averill Pub

This groundbreaking look at rape, edited by writer and activist Jaclyn Freidman and Sex Object author Jessica Valenti, dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure. In the original edition, feminist, political, and activist writers alike presented their ideas for a paradigm shift from the "No Means No" model--and the results were the groundbreaking shift to affirmative consent ("Yes Means Yes," as coined by the book) that we know today. With a timely new introduction, refreshed cover, and the timeless contributions of authors from Kate Harding to Jill Filipovic, Yes Means Yes brings to the table a dazzling variety of perspectives and experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently, and ending rape. Yes Means Yes has radical and far-reaching effects: from teaching men to treat women as collaborators and not conquests, encouraging men and women that women can enjoy sex instead of being shamed for it, and ultimately, that our children can inherit a world where rape is rare and swiftly punished.

Expert Advisor Schott & Company Limited Christianity Today Book Award in Culture and the Arts (2021) " In the final analysis, music is prayer cast into sound. " One of the greatest luthiers of our time reveals the secrets of his profession—and how each phase of handcrafting a violin can point us toward our calling, our true selves, and the overwhelming power and gentleness of God ' s love.

Schleske explains that our world is flooded with metaphors, parables, and messages from God. But are we truly listening? Do we really

see? Drawing upon Scripture, his life experiences, and his insights as a master violinmaker, Schleske challenges readers to understand the world, ourselves, and the Creator in fresh ways. The message of this unique book is mirrored in sensitive photographs by Donata Wenders, whose work has appeared in prominent newspapers and magazines, including The New York Times, Rolling Stone, and Esquire, as well as museums and galleries throughout the world.

Basics is a collection of practice methods and exercises, and belongs on the music stand, not on the bookshelf. It can be used by players of all standards, from concert violinists to students. Much of the material is also suitable for teaching elementary players. Each exercise is designed to achieve the maximum possible result in the least possible time. Some are very short and need to be done only once or twice to explore a particular aspect of technique. Others are practice routines or warm-up exercises that can be returned to regularly. Basics is not a book to play through from cover to cover (though, for easy reference, the exercises are numbered sequentially throughout). Everybody's needs are different, and there is little point in practising anything that does not need to be practised. The book is invaluable, however, in its presentation of the most effective technical work in a single volume, making it possible to work directly on any aspect of technique that needs attention.

As Witch Child ends so Sorceress begins. Alison Ellman is still searching for information about Mary Newbury; she has a diary and some scattered information about other people in Mary's life, but Mary has disappeared into the forests and Alison has no way of following her. But when she meets Agnes Herne, Alison encounters the person who is going to tell her all about Mary's life after she leaves Beulah. Agnes is a descendant of Mary's and has a special skill which allows her to be in touch with Mary in the spirit world. And Mary has a story to tell. A story of love and friendship, sadness and loss. A story that takes her across the New World in an epic search for a home. We fell under the spell of Mary in Witch Child and now at last we find out what happened to her after her ill-fated time in Beulah. Just as Mary's story has to be told to Agnes, it has to be read by us for it is passionate, compelling and utterly wonderful.
